Streamlined International 214 Application

2-22-07

Response to Question 9

Applicant seeks authorization to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2) to resell the international services of authorized U.S. common carriers for the provision of international switched, private line and data, residential and business services to all international points, and to resell private lines for the purpose of providing international basic switched services to countries found to offer equivalent resale opportunities.
